Pickens County Boy
In Vera Cruz, Mex.

Claude Wyatt, of Easley, who is a gunner on the U. S. battleship Utah, now stationed at Vera Cruz, Mexico, writes an interesting letter to his parents. Dr. and Mrs. C. N. Wyatt, about the fighting around Vera Cruz. Below we publish a portion of one of his recent letters: Vera Cruz, Mex., April 29, 1914. —All the fighting seems to be over except a few shots fired at night from house tops. So far, we have about 20 killed and 50 odd wounded. The Mexicans have fought a great deal better than we expected. They have no respect, whatever, for the Red Cross. One of the doctors of our ship was killed by my side. A Mexican with blood on his foot came up and asked the doctor for treatment. As the doctor bent over to examine him he produced a pistol, which he had concealed on his person and shot the doctor through the head. I was wounded in my left hand. The wound is doing nicely.

Five thousand troops arrived today with Gen. Funston in command. He is the man who made a name for himself in the Philippines. The soldiers will relieve us of duty ashore and we will go back to our ship tomorrow. Do not know where we will go—some think to Tampico. I don't see why they don't let us go on with the good work and clean up Mexico. We are the ones that can do it and she surely does need it.

When the battleship Chester started firing on the city, the Mexicans ran out of the buildings. That was when we got so many of them. I saw as many as seventy-five dead Mexicans in one block. Almost every one had at least ten shots in his body, any one of which would have been fatal. Most of these were hit by the automatic machine guns, which shoot five shots to the second. They have a wooden box that fits on the side and holds from 175 to 500 shots, so you see what they can do for a man.

Jack London, the great novelist, came to Vera Cruz today. I saw him about an hour ago. His wife came with him and she carried a revolver just as any man would do and according to all accounts, she can take good care of herself.

The admiral seized all arms of every description in Vera Cruz and we surely did get a collection. I have a pistol that must have been used in George Washington's time.

In Tampico they piled the bodies of the dead horses and men together, poured oil over them and burned them.

Health A Factor In Success

The largest factor contributed to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all dealers.—Adv.

FOR STOMACH TROUBLE

John W. Skillen of Sidney, Ohio Has Found A Remedy. Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John W. Skillen of Sidney, Ohio says: "I had a bad stomach trouble for years, and became so weak that I could hardly walk or do any work. My appetite was poor, and it seemed impossible to get any relief. Since taking 'Vinol' I find a remarkable improvement in my health, my digestion is much stronger, and I have gained in weight. I would not be without Vinol."

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs, and is delicious to the taste. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

No Need to Risk Disagreeable, Dangerous Calomel Now That Dodson's Liver Tone Takes Its Place

Plenty of people—thousands of them—have found that it is no longer necessary to risk being "all knocked out" by taking calomel when constipated or suffering from a sluggish liver.

Nowadays Dodson's Liver Tone takes the place of calomel. What calomel does unpleasantly and often with danger, Dodson's Liver Tone does for you safely and pleasantly, with no pain and no gripe. It does not interfere in any way with your regular business, habits or diet. Calomel is a poison, a form of mercury, a mineral. Dodson's Liver Tone is an all-vegetable liquid.

Of course, this reliable remedy has its imitators. But Dodson's Liver Tone has been made to take the place of calomel right from the start. The label on the bottle always has said so, beginning with the first bottle sold. And it is widely known today how good Dodson's Liver Tone is as a remedy and that Dodson never makes extravagant statements. He says that it "liven's the liver," overcomes constipation agreeably and makes you feel good, and if you are not satisfied completely with it Pickens Drug Co. will hand back the purchase price (50c.) to you with a smile.

Such statements could not be made without true merit to back them up and it is easy for you to prove them up for yourself at no cost if not satisfied and convinced.—Adv.

Gov. Blease Not Worried

The State Democratic convention will probably be composed of 47 Blease men and 291 anti-Blease men, according to the delegates elected by the county conventions last week. The Greenville Piedmont sizes the Pickens delegation up as having two Blease men and four anti-Bleasemen on it. Will the Piedmont please tell us who the two administration men are, and who the other four are?

A Columbia special says: Governor Blease declined to make any special comment on the results of the county conventions, but expressed himself as satisfied with the reports he was receiving from over the state. "I will beat Smith 15,000 to 18,000 votes," said the Governor, telling of the many letters and messages of encouragement he was getting in every mail. The Governor said the Bleases were not much on handling clubs and conventions, but when it comes to the ballot box they had the votes and knew how to use them. Governor Blease is satisfied his friends will have a better showing in the coming convention than they did in 1912, and when asked about the overwhelming majority against him that would be in that gathering said he was not worried.

While you are enjoying your strawberries do not forget that other things in your garden may need attention.

A Message to the Ladies of Pickens and Vicinity

This announcement is for the distinct purpose of calling your attention to the indisputable fact that it is no longer necessary for you to send your money to New York, Philadelphia or Chicago in exchange for Wearing Apparel, House Furnishings, Jewelry, Groceries, Shoes, Millinery, Dry Goods, etc.

It has become a habit with some people to feel that there are certain things they must order through the catalogues which are sent broadcast over the country from the above mentioned cities. There is not a town or community in this State but what is in close proximity to some larger one which has stores that are amply equipped to satisfy needs of its citizens, thereby shutting off this steady stream of money northward—and keeping it in its own section

Greenville Occupies that Position in Upper Carolina
